ESL Co-Packing

*Your products ...
our capabilities and
experience ...
a winning combination!*

Ninth Avenue Foods is a family-owned company with a long standing history of quality and service in the dairy industry.

Our new state-of-the art ESL manufacturing facility and over 50 years of experience in the industry will take your products from concept stage to successful launch with ease.

Headquartered in Southern California, Ninth Avenue Foods is an American company with owners and key decision makers on site and available for consultation.

Regardless of your specific needs our experienced team will produce your products to the most exacting standards.

Let our “small company” values combined with “big company” capabilities work to your advantage.
